INDEX PLUS

NuernbergMesse India, celebrating its ten years plus of sustainable business in India, is committed to the India Growth story. As organisers of **INDIAWOOD** – Asia's biggest show for the woodworking and furniture manufacturing Industry, we have been actively engaging with the supply side of the woodworking domain. With **INDEX PLUS**, we are here to support the demand side, particularly the vibrant community of furniture manufacturers + others.

INDEX PLUS enhanced version of INDEX - India's leading show on Architecture, Furniture, Interiors and Design, with a legacy of more than **35+ years** is not just a trade show; it's an experience! It's where innovation meets application. **INDEX PLUS** is the most ideal platform to reach your target audience and exhibit your products at a forum which is focused and curated around the needs of the consumer.

India is poised to become the largest youngest consumer market by 2030. Entrepreneurial power at the grassroots is admirable in India, hence the belief in the domestic market and India positioning itself as the next manufacturing hub, adds vigour to the intent of the NuernbergMesse Group for this subcontinent.

FURNITURE

Residential, Commercial, Hospitality and Outdoor, Furniture Solutions including Mattresses, Sleep Products, and Storage Solutions

The India furniture market attained a value of USD 25.64 billion in 2023, driven by the increased investments in household décor enhancement by consumers. Aided by the rapid urbanisation, the market is expected to witness a further growth in the forecast period of 2024-2032, growing at a CAGR of 10.9%.

The key market trends guiding the growth of the market include the fast urban development and the increased demand for multifunctional furniture. Also, an evident shift in the furniture industry involves a growing desire for products that prioritize environmental sustainability and eco-friendliness.

KITCHEN SOLUTIONS

Modular Kitchens, Contemporary Kitchen Furniture, Appliances, Surfaces, and Sinks

The Indian Modular Kitchen Market is set to soar from USD 3.67 billion in 2023 to a whopping USD 10.91 billion by 2028, with an impressive CAGR of 24.36% during the 2023-2028 forecast period.

The expanding middle class, boosted by rising incomes and enhanced living standards, is driving this remarkable growth.

Key trends in the kitchen furniture

The future of modular kitchens in India will be driven by trends that focus on functionality, aesthetics, sustainability, customization, and technology integration.

Handle-less cabinets, integrated appliances, and hidden storage solutions contribute to the minimalist appeal, creating a kitchen space that feels spacious, uncluttered, and visually pleasing.

DÉCOR & AESTHETICS

Decor & Aesthetics: Furnishings, Home Decor, Carpets, Flooring to Wall Panels, Specialty Paints, and Unique Artefacts

Fueled by the growing emphasis on aesthetics and personalization within interior spaces, the Home Décor market in India is expected to achieve a revenue of US\$2 billion by 2023, with a projected annual growth rate of 6.08% from 2023 to 2028 (CAGR).

The carpet and rugs market in India is expected to grow at a CAGR of 6.15% from 2023 to 2028, reaching USD 7.13 billion by 2028. The market volume is projected to be US\$289.70m in 2028.

The India handicrafts market size reached US\$ 3,968.0 Million in 2022. Looking forward, the market is expected to reach US\$ 6,218.4 Million by 2028, exhibiting a growth rate (CAGR) of 7.7% during 2023-2028. (Comprises of Art metal wares, Sculptures, Woodware & Antiques).

LIGHTING & SMART HOME SOLUTIONS

Lighting & Smart Home Solutions: Decorative and Commercial Lighting, LED Solutions, Smart Switches, Climate Control Systems, Smart Curtains etc.

The India Lighting Market size is estimated at USD 5.69 billion in 2023, and is expected to reach USD 8.28 billion by 2028, growing at a CAGR of 7.79% during the forecast period (2023-2028).

The Indian market for LED lighting is experiencing significant growth, driven by the rising demand for energy-efficient lighting systems and increasing environmental awareness.

The surging product demand in architectural lighting across commercial and residential sectors and reducing prices of LED lighting are fueling the market growth.

India's smart home automation sector is projected to grow significantly, with over 40 million households adopting smart technology by 2025

FITTINGS & ARCHITECTURAL HARDWARE

Fittings & Architectural Hardware: Locks Handles, Hinges, Fittings, Doors & Windows, Staircase & Railings, and more to give your creations a finishing touch

The furniture fittings market is expected to grow significantly in the coming years. This growth is driven by increasing demand for furniture fittings for bedrooms, living rooms, dining rooms, hotels, and offices

The Furniture Hardware market is anticipated to experience a Compound Annual Growth Rate (CAGR) of 6.58% between 2022 and 2028.

The mortise locks market is estimated to grow at a CAGR of 5.50% in the forecast period of between 2024 and 2032 to reach a value of USD 13.77 billion by 2032.

Latest trend in architectural hardware solutions is the adoption of sustainable materials, encompassing recycled metals, biodegradable plastics, as well as natural elements like wood and bamboo.
